“AVIA YOUTH EXCHANGE”

JUNE 18-24

Short description

“If you can dream it you can do it” – inspirational quote once said by Walt Disney today returns with very meaningful content. Few hundred years ago humanity dreamed of flying into the sky. Today the dream is fulfilled. The project “Avia Youth Exchange” is a five days lengths youth exchange in June 18-24, in Lithuania, small recreational, Kartena airport, where young people will be challenged to learn about different cultures, exchange experiences, gain skills and competences in inspiring airport environment. The goal of the project “Avia Youth Exchange” is for young people to develop knowledge, skills, attitudes and beliefs which help pilots to cope with challenges and problems. During the project 20 young people and 4 group leaders from Lithuania, Romania and Poland and Latvia will feel what it is like to be a part of small community of recreational airport in Kretinga. The group will be assigned to complete tasks, work as a team, cooperate with local community of airport, and reflect on learning process. The group will have a session with professional pilots and other staff to go into deeper understanding what is this kind of sport and what could be learned using theoretical basis of aviation science. (No practical flights will be arranged unless there will be additional agreement with participants and additional insurance will be provided by sending organization).

The learning process will be based on one of the first aviators in history – Leonardo da Vinci guidance. He was the first person to develop flying objects. Using our creativity, teamwork, personal skills we will although create flying objects. Leonardo da Vinci although was one of the best mentors in history. Following his guidance the participants will analyse curiosity, creativity, will develop their basic skills and competences and a reflection ability.

The project will be balanced for young people to experience curiosity, joy of invention, sense of belonging, learning new things, learning about different cultures, and etc.
